### PROFILE

---

A background working with and inspiring the use of creative mediums, I have a strong interest in designing for others. That interest shows up in how I build presentations for patrons, develop structures and spaces for clients or project briefs, and other professional outlets. I believe in self-improvement and critical change, and I try to reflect that growth in every project I work on.

### EXPERIENCE

---

**Front desk Salesman and Company Representative  
Krazy Kids 2022-2024 / Lang's Ice Cream 2022-  
2024 / Makris Lobster & Steakhouse 2025**

Developed strong customer service and problem-solving skills while assisting clients with complex requests and projects. Responsible for front desk operations, including greeting guests and managing check-ins for parties and scheduled reservations across the multiple Employers. Assisted with onboarding and training new employees.

**Assistant Counselor and Lead Teaching Counselor  
LetGoYourMind 2021-2025**

Delivered and supported STEM-based summer camp curriculum, engaging students through interactive LEGO activities that encouraged creativity and personal growth. Advanced to Lead Teaching Counselor, taking on responsibilities including staff training and mentorship, oversight of program materials, and leadership in daily operations. Cultivated strong leadership and critical thinking skills while guiding new hires into future counseling roles.
